

A Clear Alternative for Bidding Odd-lot Muni Bonds

MuniAxis is an online, live-auction trading platform designed to provide clarity and improve efficiency for buyers and sellers of odd-lot Municipal Bonds. The platform has recently been redesigned to generate better bid participation and improve results for both sides of the trade and is now offered in partnership with RBC Capital Markets as the sponsoring broker-dealer.

Market Conditions Have Changed...

- Growth of separately managed municipal accounts
- Decline in bond insurance and eroding ratings credibility

But Trading Systems Have Not Changed...Until Now.

MuniAxis facilitates efficient information flow between buyers and sellers, enabling bidders to know where they stand without exposing the bid.

Overall Benefits

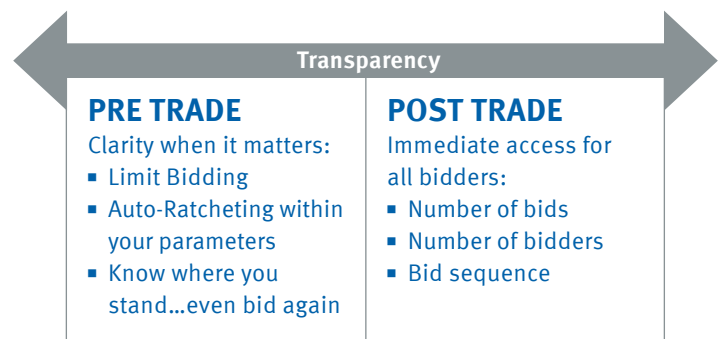

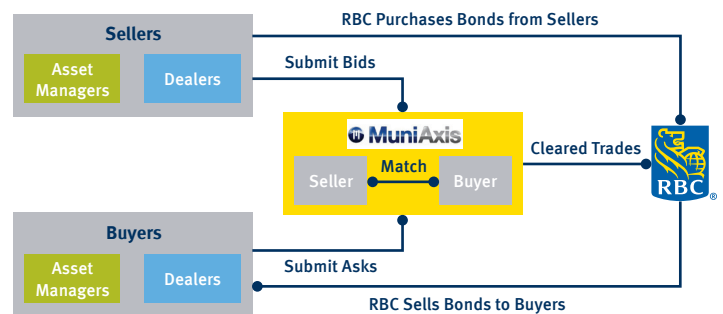

- Anonymous, “All-to-All” Participation: All users can be buyers or sellers and can trade with other participants – RBC acts as intermediary clearing all trades
- Simple sign up – no need for account lists
- Odd-lots ARE the focus, not just a courtesy
- Clear display of bid status enables bidders to make informed decisions

For Sellers

- Open to sellers from both sides of the market
- Solicit bids directly from institutions and dealers, anonymously
- Set ‘reserve’ levels – indicating a willingness to sell
- Enable bidders to know where they stand without exposing their bid
- Time saver – no need to post bids, with MuniAxis it is automatic and available to all bidders

For Buyers

- Bid directly, but remain anonymous
- Know where you stand, without exposing your bid
- Limit-bidding and auto ratcheting within your parameters
- Intuitive filters save time, provide focus
- Robust reporting available at your fingertips
- Clear and settle seamlessly through RBC Capital Markets

A TRUSTED PARTNER

Now partnering with RBC Capital Markets as the Sponsoring Broker/Dealer.

- RBCCM acts as counter-party on all trades
- Efficient trade clearing through a single entity

The MuniAxis ATS technology platform is owned and operated by Axis Trading Solutions, Inc. RBC Capital Markets, LLC is the sponsoring broker-dealer of the MuniAxis ATS and acts as the counterparty for, and clears and settles, each trade on the ATS.

This communication has been generated by an employee of RBC Capital Markets and is being conveyed to you as a solicitation (solely for the purposes of 17 CFR §§1.71(a)-(c) AND 23.605) for entering into a derivatives transaction. This communication is not a research report or a product of RBC Capital Markets' Research Department.

This document has been prepared by RBC Capital Markets ("RBCCM") for discussion and/or information purposes only and is being provided to you based on our reasonable belief that you are a sophisticated institutional investor that is capable of assessing the merits and risks of the transactions and financial matters discussed herein. RBCCM is not acting as a fiduciary or as a financial, commodity or investment adviser. Nothing herein constitutes a recommendation of any security or regarding any issuer; nor is it intended to provide information sufficient to make an investment decision. RBC Capital Markets is not acting as a fiduciary or as a municipal, financial, commodity or investment adviser to the Obligated Person or any other person or entity. The information provided is not intended to be and should not be construed as "advice" within the meaning of Section 15B of the Securities Exchange Act of 1934. Nothing in this document constitutes legal, accounting or tax advice or individually tailored investment advice. This material is prepared for general circulation to clients and has been prepared without regard to the individual financial circumstances and objectives of persons who receive it. [Other than for the purposes specifically indicated in this disclaimer], this document does not constitute an offer to sell or the solicitation of an offer to buy any security or other instruments or a recommendation to enter into any transaction by any RBC entity and should not be construed as such in any jurisdiction where such an offer or solicitation would be illegal. The information contained herein is for discussion purposes only and, in the case of any security, subject to the terms and conditions set forth in the related offering document or prospectus; any information contained herein is qualified in its entirety by reference to the final form of offering document or prospectus, as amended or supplemented. An offering may be made only by means of a final offering circular or prospectus, which will contain a complete description of the terms of the security, the offering and the issuer of the security, including a descriptions of certain risks associated with the security.

The transactions and financial matters may not be suitable for every investor and any offering may be restricted to those investors that meet certain criteria imposed by applicable law or regulation. As such, this is only available to Sophisticated Municipal Market Professionals as defined in MSRB Rule D-15. Transactions of the type described herein may involve a high degree of risk and the value of such investments may be highly volatile. Such risks may include without limitation risk of adverse or unanticipated market developments, risk of issuers default and risk of liquidity. In certain transactions counterparties may lose their entire investment or incur an unlimited loss. This brief statement does not purport to identify or suggest all the risks (directly or indirectly) and other significant aspects in connection with transactions of the type described herein, and counterparties should ensure that they fully understand the terms of the transaction, including the relevant risk factors and any legal, tax, regulatory or accounting considerations applicable to them, prior to transacting. RBCCM strongly urges each recipient to consult with its accounting, legal and tax advisors before entering into any transaction. Unless otherwise set forth in written agreement setting out specific duties and obligations, RBCCM will at all times act as arms-length commercial counterparty to any recipient of this document. RBCCM expressly disclaims any advisory, fiduciary or similar relationship with any recipient.

The information contained in this presentation may have been obtained in part from sources other than RBCCM and has been compiled by it from sources believed to be reliable, but no representation or warranty, express or implied, as to its accuracy, completeness or correctness of any such information.

Nothing contained herein constitutes or should be interpreted as representation or expectation as to future results or events. Recipients should understand the assumptions and evaluate whether they are appropriate for their purposes or consistent with their views. Recipients should consider whether the economic benefits from the ownership of securities should be tested based on assumptions different from those included herein.

All opinions and estimates contained are subject to change without notice and are provided in good faith but without legal responsibility. To the fullest extent permitted by law neither RBCCM nor any of its affiliates or any other person accepts any liability whatsoever for any direct or consequential loss arising from any use of the information contained herein. This document is confidential and no matter contained in this document may be reproduced or copied by any means with out the prior consent of RBCCM.
